

Re: Radio Play Character Name Changes

Dear Valued Customer:

At *Positive Action*, we strive to keep our kits updated. The original names of characters in the *We're on Our Way* radio play that carries through Grades 7 and 8 needed a fresh look!

We've changed the names in the latest edition of Grade 8, but they remain the same in the current edition of Grade 7. Until the Grade 7 manual is reprinted, the names will be different between the two seasons of the radio play. Please do not be alarmed; our beloved characters are still there... just with hip new names! The chart below shows how the names match up.

Character Names	
Grade 7	Grade 8
Paul	Michael
Paulette	Michaela
Julie	Lily
Ann	Ana
Bret	David
Gary	Marcos

Please feel free to contact us with any questions you may have. Thank you for being a valuable part of the effort to bring positive actions to our youth!

Sincerely,

Carol Gerber Allred
President/Developer
